

Bank of Wisconsin Dells | SHAZAM BOLT\$

If you could stop fraud in its tracks, *at the very first attempt of someone else trying to use your card*, wouldn't you want to do it? Of course you would! You can do just that with the SHAZAM BOLT\$ app.

BOLT\$ is a free mobile app that helps protect you from fraud by sending alerts when your card is used so you can quickly detect unauthorized activity. You choose which alerts to receive and when. Alerts include:

- Purchases exceeding thresholds you set.
- Purchases made via the internet or over the phone.
- Suspicious or high-risk purchases.

If you receive an alert, you can quickly take action to prevent fraud.

With BOLT\$, you can also:

- Turn your debit card on or off.
- Check your account balance without logging in with the Quick Balance feature.
- Find nearby ATMs.
- Log in with just your fingerprint.

Use BOLT\$ along with the BWD mobile app for increased protection against fraud.

Visit your app store and search for "SHAZAM BOLT\$" to download now. Or, scan the applicable code on the right.

We hope you take advantage of this powerful tool. If you have any questions, please give us a call at 608-253-1111.
