

Brella™ Card Manager App

If you could stop fraud in its tracks, at the very first attempt of someone else trying to use your card, wouldn't you want to do it? Of course you would! You can do just that with the Brella™ app.

Brella is a free mobile app that helps protect you from fraud by sending alerts when your card is used so you can quickly detect unauthorized activity. You choose which alerts to receive and when. Alerts include:

- Purchases exceeding thresholds you set.
- Purchases made via the internet or over the phone.
- Suspicious or high-risk purchases.

If you receive an alert, you can quickly take action to prevent fraud.

Key Features

- Turn your debit card off or on. This is great if you misplace your card!
- Check your account balance without logging in with the Quick Balance feature.
- Find nearby ATMs.
- Submit travel notices.
- Log in with just your fingerprint.

Visit your app store and search for “**Brella Card Manager**” to download now. Brella™ is available for download through the following app stores:

- **iOS®**, the app will be released as an automatic update to all BOLT\$ users.
- **Android™** — Users will need to download Brella as a new app. They will need to visit the Google Play Store, search “Brella Card Manager” and download the new Brella app to their device.

We hope you take advantage of this powerful tool. If you have any questions, please give us a call at (608) 253-1111.
